LETTER FROM JIM LARSEN AT THE  
MARQUETTE CHURCH OF CHRIST

Hi Mark,

As always it is good to hear from you. We recently received a package of valentines from the youth hour class and they came at a really good time. (God's timing is always perfect!) My wife had been out walking the dog and came upon a place where there was a bike track in the woods and some footprints where someone had stopped and had been smoking pot (she found A baggie with a little residue), soon she came across a high school student on a bike heading back to that area. She was distressed at the darkness in the world (There had been three teenage suicides in one week here in the U.P., two in our county and one down by Dave Grant, in fact he did the funeral for that girl.) So, as Pam was feeling a bit down she went out to the mailbox and there was the box of valentines/candy etc. from Walled Lake. Like I said: God's timing is always perfect. It reminded us of God's light and God's love and our hope in Jesus.

As for the finances I have taken a \$300 a month pay cut and we have trimmed everything but necessities from the budget i.e. nothing for benevolence, ladies day, men's retreat, outreach, fellowship, youth activities, copier expense, no more bulletin etc. Really a bare bones budget. If nothing breaks or no other unforeseen expenses arise we should only come up about \$4,000 short.

So we are running on faith U.P. here trusting that God will provide. He already has with some outside support coming in and members doing their best to give a little extra.

We are doing fine.

Thanks for your support and please let everyone know how much the cards mean to us.

Love you bro!

Jim Larsen
