## NEXT SUNDAY!

Next Sunday you're invited to enjoy a showcase of our Bible Class teachers and students at 10:00AM in the auditorium.

- ☞ Each class will take a minute or two to encourage us with the things they have studied and learned over the past year.
- ☞ We will acknowledge our kids for a job well done and honor our teachers for their hard work and dedication to our students. Please come and support your educational program.

After our Worship Service there will be a **POTLUCK** to celebrate our Bible Class Teachers.

At 1:30 PM the classrooms will be opened for a Bible School Open House. Take this opportunity to see the classrooms where your children have been and visit with their teachers. You will also have an opportunity to check out the next class your child will be attending, if they are changing classrooms. Teachers will be present to answer questions.

You do not have to have children presently in our Bible School to take part in this special day. Come and see what is happening in this important area of church life. God bless our study of His Word!
